

Learn to Create Chances and Score More Goals

Goal scoring clinics available during March and April
at your request in your town or at New Hampton School, NH.

Individual and team methodology to help you create and finish goals

Open to individual players, groups, and coaches – on a clinic by clinic basis

Dynamic technical/tactical buildup, and group play in the final 25 yards

Instruction includes:

- Instep training and shooting facing the goal
- Shooting on the run and one or two touch shooting
- End line runs and setup passes
- Near post runs with a shot or a pass
- Combination play in and around the penalty area
- Heading on goal and head passing in the penalty area
- Dribbling to penetrate into the penalty area
- Individual and team composure in the final 25 yards

Ben at Foxboro

Directed by Ben Brewster, a coach with a proven record in developing youth, high school, and college players; one of the few with over a hundred wins at both the college and high school levels.
