

## **Seven on Seven Tournament**

At the Brooks School in North Andover, MA on July 15 - 16

Dear Coach,

You are invited to play in the Eighteenth Ben Brewster "Seven on Seven" Soccer Tournament during July 15 – 16 at the Brooks School in North Andover, MA. This event includes Boys and Girls Premier and Town Travel teams - U8, 9, 10, 11, 12 and U14, 16, 18, and 19 divisions in an easy one-day format. We will also have Men's and Women's competition in the following divisions: Open, Over 30, and Over 40.

Teams will be comprised of six field players and a goalie using a field of play about sixty yards long by fifty yards wide with full sized goals (8' x 24'). It is suggested that each entry have a maximum roster of twelve players, giving the team five substitutes. Many coaches feel that only three subs are preferable thus giving players more playing time. If a full squad of eighteen wishes to play, they may split into two entries with additional guest players as desired.

We will offer a premier level of play for the best possible teams from around New England and the country. Age groups will be limited to the top eight teams available unless the number of quality teams demands a bigger draw. We will also offer an enjoyable town travel division in each age category with as wide a draw as interest permits. We will try to limit each age group to the most compatible level of opponents possible.

All divisions will play four games in this one-day format. Games will include two fifteen minute halves with a three minute halftime period. Regular FIFA rules will apply with these exceptions:

- There will be no Offsides;
- Once the goalkeeper has handled the ball, he cannot serve it over half field without having the ball touch either the ground or a player in his half.

Awards will be given to players from the top three teams in each age category. All participants in the youth ages ten and below will receive an award for participation. Cost for the tournament will be \$250 or about \$25 per player depending upon how many play on your team. There will be one referee per game. All of the fields set up will have a full grass surface, and they will all be at the same location. All game conditions including the convenience of the schedule will be set up to make it the most enjoyable experience possible for you.

Please join us for a great day of soccer to high-light the summer or get a sneak preview of your fall team. Your players may enjoy making up their own team for a change while you observe them.

Please call me at 603-744-5067 if you need further details, or you can reach me at [ben@bbsoccer.com](mailto:ben@bbsoccer.com).

All the best,

*Ben Brewster*  
Director
